## OUR STORY

Welcome to Talent Solutions Group, Inc. - a leading provider of specialized talent resources in the utility sector. At TSG, we understand the critical role that utilities play in our everyday lives, and we're dedicated to helping organizations navigate the rapidly changing landscape of energy transformation and sustainability.

From renewable energy to hydrogen power, TSG has the expertise to provide top-notch talent solutions across a range of industries. Our team of experienced professionals is well-versed in the latest trends and technologies, from IoT and Cyber Security to AI-Driven Cyber Security and Natural Gas.

We work with a range of companies across the US to ensure that organizations have access to the best resources available. Whether it's providing comprehensive staffing services for corporate office positions, project managers, or field engineers, TSG is committed to keeping the energy grid running smoothly and maintaining a reliable and resilient power supply for the nation.

## SPECIALIZATION

*According to recent reports, the US utility infrastructure is in need of a massive overhaul, and TSG is at the forefront of this effort. Our team is dedicated to helping organizations find top talent to meet their needs, including those involved in Clean Air initiatives and other sustainability efforts.*

*At TSG, we take pride in our ability to deliver specialized talent solutions in the utility sector, and we look forward to working with you to build a brighter and more sustainable future.*
